

Sunday School Of Second Methodist Shows Large Gain

The Second Methodist church made a gain of more than 100 per cent in its Sunday school attendance last Sunday over the same Sunday of 1919, leading all the Protestant Sunday schools of the city in per cent gain. The attendance jumped from 125 last year to 191 this year. Oswald Wall is superintendent of the Second Methodist school and much of the credit for the fine showing made is said to be due to his efficient management and the strong corps of teachers he has organized. Dr. F. H. Cummings is pastor of Second church.

Other schools are striving for the lead Sunday and another big increase in the attendance of all Sunday schools is looked for. Memphis schools have registered a gain each Sunday of the campaign and now have a big lead over the other Tennessee cities engaged in similar contests.

The comparative attendance for the second Sunday of August, 1920, and the first of the school submitting reports was:

BRITISH LABOR THREAT LAUDED BY CHRISTENSEN

CHICAGO, Aug. 14.—Parley P. Christensen, Farmer-Labor party candidate for the presidency, today sent a cablegram to William C. Adamson, chairman of the British Labor party, congratulating the British workers on their determination to resist military intervention against Russia.

The message follows: "British laborers' magnificent determination to resist any form of military intervention against Soviet Russia is humanity's most striking victory over capitalist militarism. You have laid the foundation for a real world league of labor by setting the glorious example of labor's power to veto war. Please extend to British Labor party heartfelt admiration of American Farmer-Labor party."

Activities Among Memphis Negroes

The West Tennessee association has just closed one of the best sessions in its history at Covington, Tenn. The delegates were royally entertained by the Canaan Baptist church, of which the Rev. J. W. Clark is pastor. Other churches assisted. Memphis was well represented. The Rev. A. Parr, of Brownsville, was re-elected moderator and Prof. C. J. Neal, of Memphis, secretary. A liberal donation was made to Howe institute.

The opening of the second unit of the Tabernacle Baptist church, Georgia and Bauderdale, will attract a large crowd Sunday afternoon. Dr. Griggs has worked hard and now success is in sight. Let us go Sunday afternoon and lend encouragement to pastor and people. An interesting program will be presented.

Dr. N. H. Keys, a successful physician at Covington extended us many courtesies while in his city.

A letter from Miss Georgia M. Lundy, visiting in Buffalo, N. Y., states that she is having a delightful trip. She will return by way of Chicago. She is a teacher in our public schools here.

Some of the strongest speeches heard at Covington during the association were made by Mrs. D. E. Harvey, on the general uplift of women.

Don't fail to hear the Rev. Charles H. Haynes at the First Baptist church, Sunday morning.

Dr. C. A. Terrell, of the Jane Terrell hospital went to Tipton county in the interests of his work this week.

We are receiving letters from all parts of the country from both races commending "Flashers and Gems of Thought and Eloquence." It will become a text book for quotations in the young people's societies.

Dr. G. W. Atkins, accompanied by Prof. Carry, representing the Standard Life Insurance company, attended the association at Covington.

Dr. L. G. Jordan, president of the African Steamship and Saw Mill company, is touring the country in the interest of the proposed steamship line. He spoke in Memphis.
